

Fort Custer Horse Friends Association

May/June 2017

The campout was a big success. We could not have asked for better weather, company or food. The count was close to 45 campers and 25 rigs. Other than one horse deciding she wanted to spend the night solo camping things went great and lots of riding time was put in.

We have a ride and potluck scheduled for May 21st starting at 9:30 and meeting at the trailhead for lunch at noon.

June 3rd is a workday starting at 9:00 at the trailhead.

June 7th is the Board meeting and potluck dinner at 4:30 at the pavilion. All are welcome. Bring your horse and ride before and/or after.

July 5th is a repeat of the above- meeting, potluck and ride.

See our website <fchfa.org> for a full schedule.
